

Personal Nursing Assistant

Location:	
Service Type:	Discharge to Assess
Responsible to:	Team Leader
Accountable to:	Regional Manager
Appraisal Role Level:	Level 1

Main Purpose

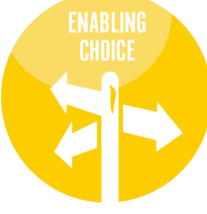

To work as part of Hilton Nursing Team to provide short pathways to patients being discharged from hospital. Deliver all aspects of personal care to support future independence or arrangements into longer term social care.

Supporting Assessors in creating a person-centred care plan appropriate for individual needs, enabling them to regain independence, while feeling safe in their own home.

Hilton Nursing Partners Values

The post holder is required to uphold and model Hilton’s values in everything they do.

	<p>Our support is based on empathy, respect and dignity</p>
	<p>We look beyond established ways and systems of supporting patients</p>

	<p>We challenge ourselves and those we support in order to optimise patient outcomes</p>
	<p>We support patients in order to maximise their future life choices</p>
	<p>We work in partnership with patients, colleagues and other professionals based on open and honest communication.</p>

Hilton Nursing Partners embed the “6C’s” into daily practice. This is a set of values that underpin NHS England’s **Compassion in Practice**:

- **Communication** Communicating effectively to deliver high quality care.
- **Care** Caring for the wellbeing of your patients.
- **Compassion** Trying to understand how your patient may be feeling.
- **Commitment** Dedicated to do your best for your patients.
- **Competence** Making sure that you have the right skills and knowledge to care for your patients.
- **Courage** Making sure your patients are safe and trying new things to meet your patient’s needs.

Main Responsibilities

- Supporting patient’s rehabilitation in returning home from a stay in hospital providing proactive and responsive support to prevent patient’s admission or re-admission into hospital.
- To encourage and promote patient engagement and -participation in the planning and delivery of their care, promoting and supporting a degree of independence and activity appropriate to their abilities.
- Adhere to, review, ~~and~~ report and document the effectiveness of the patient’s care plan.
- Completing “Meet and Greets” for new patients.
- Assisting patients with all aspects of personal care and hygiene duties promoting ~~dignity~~ dignity, respect y and privacy.
- To support patients with food preparation and the monitoring of food and fluid intake.
- Assistance with medication management including MAR (Medication Administration Records) charts ~~as per policy, including recording and documentation as per policy.~~
- Supporting higher dependency patients with complex needs e.g. patients with greatly

reduced mobility in all aspects of care.

- Undertaking additional care skills; catheter care, stoma care, monitoring of vital signs (once trained and assessed as competent).
- Comply with Manual Handling legislation when moving patients.
- To go above and beyond to provide “the Hilton Extra” in that no task is too small to support any patient.
- Report and document immediately and appropriately any significant changes in health or social circumstances of the patients, as part of the monitoring process.
- In emergency and crisis situations being able to make sound decisions and act responsibly ensuring patient safety is maintained.
- Planning the day; ensuring the most time efficient route, in line with prioritising the needs of each patient.
- Being approachable and adaptable to the needs of the patients, working independently and as part of a team.
- Completing electronic documentation accurately and clearly with attention to detail adhering to all data protection requirements.
- Maintain regular communication with Team Leader.
- Communicate effectively and share information appropriately with internal and external partners.
- To follow all Hilton Nursing Partners business and system processes, reporting accurately and in a timely manner e.g. incidences, raising concerns.
- Using selected system to “tag in and out” of each patient’s home.
- Attend and engage in regular team meetings, supervisions and appraisals.
- Participate in reflective evaluations of care on an individual basis and as part of a team and actively support the development of services.
- Undertake and mMaintain mandatory training requirements within specified timescales.
- Undertake additional appropriate learning and development activities as required for the job role.
- Supporting the organisation as a whole; providing flexible cover for colleagues in the event of annual leave or sickness.
- Comply with all Hilton Nursing Partners guidelines, policies and procedures and adhere to and actively promote the organisation’s Equal Opportunities policy.
